

Trademark Guidelines

1. Introduction

We support and encourage ideas and creative works that use and supplement Overlays Guru's Brand Assets (meaning Overlays Guru's trademarks, logos, trade dress, web pages, copyrighted designs, original content, or other brand assets), but we're required to protect our reputation and brand identity.

If there is express language on this page stating that you can use particular Overlays Guru Brand Assets, advance written permission is not necessary. By using Overlays Guru Brand Assets you agree to follow these guidelines, Overlays Guru's Terms of Service, and all other Overlays Guru rules and policies, and, in situations where Overlays Guru provided express permission, any other terms associated with that permission. Overlays Guru reserves the right to cancel, modify, or change any permissive uses under these guidelines at any time at its sole discretion.

2. Questions

- If you have any questions regarding these guidelines, please contact Support.
- If you are a licensee of a Overlays Guru Brand Asset, please consult your agreement as it may contain special terms or terms different than our general guidelines. You are required to follow your agreement regardless of the terms below.
- If you are a Overlays Guru Partner and have a question about using Overlays Guru Brand Assets under your agreement, please contact your Overlays Guru business partner.
- If you've found a website that uses a Overlays Guru Brand Asset inappropriately, we'd like to hear about it, please report to info@at.guru

3. General Usage Guidelines

(i) **Do** use Overlays Guru's trademarks only as an adjective and never as a noun or verb.
